

# Ardrey Kell High School 2017 Commencement Photographs

by Beamer Sports Photo  
(a division of Bob Beamer Photography)

For the 7<sup>th</sup> consecutive year, Beamer Sports Photo has been selected to provide photographic services for this special day in your child's life. Utilizing a two-photographer approach, we capture multiple images of each graduate during the diploma presentation, along with coverage of the processional, the ceremony activities, and candids during the ceremony.

Parents, while you're visiting the website, be sure to check out the more than 100,000 photos, covering the last , drama, homecoming, cheerleading, prom, and many others.

All of these photos are available direct to you; no pre-ordering necessary.

## How to Order (check the website for the most current instructions)

From the website, photos will be available for purchase in several packages, on merchandise, and as a digital download. All orders are shipped directly to you. Items are produced using the original image for optimal quality. All photos will be available on the website by June 16th.
